Division of Pampanga

Dear Sir,

The Gideons International is an association of Christian businessmen and professionals worldwide whose main objective is to bring God's Word to people in all walks of life by distributing copies of the Bible or portions thereof in homes, hospitals, schools, prison camps, and to men and women in the military for free.

January signals the importance of God's authority and guidance in the lives of His people. For this reason, our government honors God's Word through Proclamation No. 124 as Bible Month. As we celebrate the National Bible Month this January, our team in Pampanga will be conducting an International Scripture Blitz all over the province with a goal of distributing more than 20,000 copies of the scriptures from January 15-20, 2024.

In this regard, we would like to seek permission from your kind office to allow us to distribute Bibles and portions of Scriptures in target schools, public or private as allowed.

We would like to thank you in advance for your kind and positive response.

Please feel free to contact us in the number below for queries.

Thank you very much and may the Lord bless you continually.

Yours in Christ's service,

Mr. Leo Andres
