SUBJECT : Invitation to the Post-Disaster Needs Assessment Training

DATE : 13 May 2024

Republic Act No. 10121 or the Philippine DRRM Act of 2010, led the paradigm shift of a proactive DRRM which gave birth to one of the thematic areas namely Disaster Rehabilitation and Recovery that focuses on the restoration of livelihoods and facilities of the affected communities after a disaster in accordance to the "build back better" principle.

One of the strategies to achieve a well-organized Disaster Rehabilitation and Recovery is through a **Post-Disaster Needs Assessment (PDNA)**, a multi-sectoral and a multi-disciplinary approach used to assess physical damages, economic losses, and costs of meeting recovery needs after a natural disaster or conflict undertaken by the government with private and international partners. This focuses in estimating and prioritizing recovery and reconstruction interventions.

In lieu of the above, a **PDNA Training** will be conducted on **27-31 May 2024 (Monday to Friday)** to be held at the **PDRRC Training Center, PEO Compound, Sindalan, City of San Fernando, Pampanga**. This is to invite **two (2) participants** from your office/agency to attend the said training.

For concerns, you may reach Ms. Fatima Lacson via (045) 404-7600 or 0943-531-5086. Kindly send herein attached confirmation slip via pdrmo_pampanga@yahoo.com on or before **23 May 2024 (Thursday)**.

Earnestly anticipating your feedback on this matter.

Thank you and best regards.

Very truly yours,
