1. As outlined in DepEd Order No. 8, s. 2015, classroom assessment is an integral part of curriculum implementation. It enables teachers to continuously track and measure learners' cognitive, affective, and psychomotor development, ensuring they achieve the desired competencies articulated in the national curriculum.
2. This Office, through the Curriculum Implementation Division (CID), shall lead the conduct of the Administration of the Division Pre-Test Assessment from Grades 1-10 and Core Subjects in Senior High School from August 19-23, 2024, in all schools in the division.
3. The Division Pre-Test Assessment aims to:
 - a. determine the percentage of learners who have achieved the minimum level of proficiency in all learning areas from Grades 1-10 and core subjects in Senior High School;
 - b. identify the most learned and least learned competencies, as well as the extent of the cognitive levels based on these competencies;
 - c. utilize the results and findings as baseline data to enhance the teaching skills of teachers through Learning Action Cell sessions; and
 - d. develop school-based intervention and remediation plans to address identified learning gaps in the different learning areas and grade levels headed by the school head with the assistance of master teachers, if applicable.
4. The Division Learning Resource Management and Development Section Supervisor shall be provided with the Google Drive link containing the files of the pre-test assessment tools in all learning areas. The link shall be shared with all school heads and teachers.
5. Schools shall print and reproduce the pre-test assessment tools. Printing expenses shall be charged to the School Maintenance and Other Operating Expenses and other local funds subject to usual accounting and auditing rules.
