Dear Sir,

Greetings in the name of our Lord Jesus Christ!

Shekinah Travel and Tours offers an Educational Field Trip and (Son et Lumiere and Wandering Mind) that widens the horizon and outside the school experience of school learners. We offer interesting places for the learners to enjoy and at the same time open their minds to the experiences for them to understand the value of culture and other heritage.

Different levels of activity involvement and participation, whether in sports, science and technology fairs, or clubs, may positively impact the future success of those who participate.

We humbly request your advisory for our co-curricular activities, following the policies and guidelines stipulated in DepEd Order No. 9, 5. 2005, entitled "Instituting Measures to Increased Engaged Time-on-Task and Ensuring Compliance Therewith."

All financial contributions to our Educational Field Trip and (Son et Lumiere and Wandering Mind) will be voluntary. We are committed to providing accessible and interactive learning experience to all students, regardless of their financial capacity, and we assure you that we will not pressure or obligate any student or school to contribute financially to our activities.

I am hoping for your kind consideration and approval.

Sincerely Yours,

**PERLITA E. FRIA
TOUR COORDINATOR**
