Subject: Request for Permission to Conduct the TUKLAS Mobile Science Exhibit at San Matias Elementary School

Warm greetings!

We, from TUKLAS, respectfully seek permission to conduct our TUKLAS: Hands-on Mobile Science Exhibit at San Matias Elementary School (SMES) on November 7, 2025.

The TUKLAS Mobile Science Exhibit is an interactive educational program that promotes experiential and inquiry-based learning aligned with the K-12 Science Curriculum. It features hands-on booths and experiments designed to inspire curiosity, discovery, and appreciation for science among learners.

This activity will be hosted by San Matias Elementary School (SMES) and will be participated in by the following schools under your supervision:

- Matua Elementary School (MES)
- Dela Paz Elementary School and Annex (DEABES)
- San Bartolome Elementary School (SBES)
- San Vicente Elementary School (SVES)
- Sto. Rosario Integrated School (SRIS)

Our team will manage all necessary logistics, including exhibit setup, materials, and safety protocols. The program will be facilitated by trained staff, with the presence of a medic and professional first aiders to ensure the safety and well-being of all participants.

We sincerely hope for your kind consideration and approval of this educational endeavor. With your endorsement, we can continue to support the Department of Education's mission of providing meaningful and innovative learning experiences for students across Pampanga.

Thank you very much for your time and continued support.

Respectfully yours,
Therese Jane Cancio
