Dear Dr. Alip:

Mel Magno Film Company proudly presents for the very first time — **PITO**—seven short films that intend to open the eyes of the youth to various social issues.

These films will highlight the importance of being socially aware, so that young people, especially our high school students, may better understand and appreciate the distinctive qualities of others. Included in **PITO** are the following films:

1. **BAKIT NAGNANAKAW SI MAYOR?** – the film aims to shed light on the reasons why some of our leaders steal from the nation. It was featured as one of the ten finalists at the **Las Vegas Filipino Short Film Festival in 2023**.
2. **WALANG IMIK** – the film was awarded **2nd Runner-Up** at the **Short+Sweet Film Festival 2023** held in Australia. The film portrays a mother's deep love for her children.
3. **PUTING DUGO** – when it comes to the issue of LGBTQIA+, is love between people of the same gender now accepted in our society?
4. **NINONG** – the issue of sexual harassment should be openly discussed among our high school students. They are the most vulnerable and must be protected.
5. **TUSO** – the film reveals that there are those who abuse their power to conceal their wrongdoing.
6. **KAPANGYARIHAN** – once again, a film that exposes the misuse of connections by those in power to take advantage of others.
7. **BABAE SA TULAY** – in one's suffering and in the face of injustice, the film shows that heaven may deliver retribution.

PITO will be screened starting this **December 2025** for Secondary students. Tickets are priced at only **two hundred fifty pesos (P250.00)**. For inquiries, please contact **0945-5233027**.

Let us help our youth become clever and mindful of essential social issues.

Very respectfully yours,

MEL MAGNO
