DIVISION MEMORANDUM

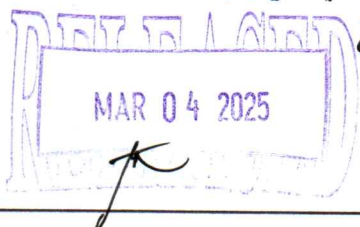

No. 174 s. 2025

**PROVISION OF NEEDS-BASED TECHNICAL ASSISTANCE BY SCHOOLS GOVERNANCE
AND OPERATIONS DIVISION (SGOD) PERSONNEL**

TO: Public Schools District Supervisor
School Heads
All Concerned Personnel

In line with the Department of Education's commitment to providing continuous support to schools and ensuring effective governance and operations, the Schools Division Office, through the Schools Governance and Operations Division (SGOD), shall conduct needs-based technical assistance to schools every Tuesday of the month. This initiative is aligned with DepEd Order No. 07, s. 2024, which underscores the thrust of the Schools Division Office in ensuring continuous improvement and technical assistance at the school level.

1. The provision of technical assistance shall be conducted in coordination with the respective Public Schools District Supervisors and school heads to ensure that the interventions address identified concerns and issues. The program owners of SGOD units will gather and analyze data to determine the specific needs of schools, ensuring that the assistance provided is relevant and responsive to the current challenges faced by the schools.
2. Given the needs-based nature of the technical assistance, it is not feasible to provide a fixed schedule in advance. Instead, technical assistance shall be provided as urgently required based on the severity and priority of identified concerns. Public Schools District Supervisors shall be informed accordingly before the provision of any technical assistance to ensure smooth coordination and effective implementation.
3. All concerned personnel are enjoined to extend full cooperation and support in the implementation of this initiative to maximize its impact on school operations and governance.
4. For further inquiries and clarification, you may coordinate with the Schools Governance and Operations Division (SGOD).
5. Immediate and wide dissemination of this Memorandum is desired.
