- Pursuant to DepEd Order No. 40 series of 2012 titled "DepEd Child Protection Policy" that aims to protect learners from abuse, violence, exploitation, bullying and all other related acts, it is imperative that schools ensure the effective implementation of measures aimed at protecting the rights and welfare of learners.
- 2. All public and private elementary and secondary schools are mandated to establish a Child Protection Committee (CPC) as stipulated in DepEd Order No. 40, s. 2012. The Schools Division Offices (SDOs), through their respective Division Learner Rights and Protection Coordinators (DLRPCs), shall conduct an online assessment of the functionality of the CPCs in all schools under their jurisdiction. Furthermore, the SDOs shall provide technical assistance and guidance to schools regarding the establishment of CPCs and the implementation of learner rights and protection advocacy programs, projects, and activities.
- The functionality of the Child Protection Committees in schools shall be evaluated based on the following key areas:
 - a. Organization and Coordination;
 - b. Policies and Guidelines:
 - c. Capacities and Resources;
 - d. Service Delivery; and
 - e. Accountability and Performance.
- 4. All SDOs through the DLRPCs shall submit/upload their consolidated report on the four areas of CPC functionality on or before April 15, 2025 via this link: https://tinyurl.com/CPC-Visit-Report-2025.
- 5. Expenses incurred relative to the conduct of this activity shall be charged against the local funds subject to usual government accounting and auditing rules and procedures.

To generate the scores for each indicator, copy the corresponding total count of the indicator from the tool and plot them in the column on Number of YES responses. Then in the next column write the equivalent score for the number/count of YES responses using the reference guide in the succeeding columns. The equivalent score reflects the corresponding stage of development of the child protection committee ranging from Stage 1 to 5.

To generate the Overall Score add the equivalent score and divide by 12.
