## MESSAGE FROM THE SCHOOLS DIVISION SUPERINTENDENT

My heartfelt greetings and felicitations to the graduates and completers of Batch 2025!

The radiance of pride reflected on your face serves as a tangible manifestation of your triumph over years of strenuous labor. Your unwavering resolve, valor, persistence, and self-control have propelled you a step closer to your aspiration of a more promising career prospect in the days ahead.

This triumph marks merely the beginning of a more arduous academic expedition. With each subsequent stride, you cultivate fresh expertise, accumulate novel wisdom, and refine them along your path to a superior existence. Regard this commencement/completion ceremony as a pivotal milestone where life's pleasures, challenges, and setbacks only ignite new endeavors with the profound realization that no one can impede your advancement but yourself.

This year's theme: *Generation of Unity: Partners for the New Philippines (Henerasyon ng Pagkakaisa: Kaagapay sa Bagong Pilipinas)* underscores the significance of unity and concerted endeavors in building a brighter future and bolstering the growth of a progressive Philippines. It urges you to engage in the process of nation-building and emphasizes the importance of solidarity in attaining national objectives.

It is also reflective of the Filipino value of "bayanihan," which emphasizes communal unity and cooperation. It's a call to action for you to work together towards a common goal of building a better country.

In a world increasingly marked by division and conflict, the idea of a generation united by common goals and values offers a beacon of hope and a path towards progress.

Therefore, the significant knowledge, skills, attitudes, and values you gained through education, coupled with your collaborative spirit toward shared objectives, nurturing comprehension and cultivating a more cohesive society will help dismantle barriers and forge a superior world.

As you strive to establish your presence in the world, fortify yourselves with virtues that will empower you to attain your aspirations. Endeavor to nurture qualities such as
