1. The Republic Act 8525 otherwise known as the "Adopt-a-School Act of 1998" is a Philippine law that encourages private entities to support public education by assisting in the upgrading and modernization of public schools in poverty-stricken provinces, providing incentives such as tax deductions and representation in local school boards.
2. In line with this, the Schools Division Office of Pampanga through the Social Mobilization and Networking (SMN) Section of the School Governance and Operations Division (SGOD) conducts the **2025 Division Profiling of Resource Needs** for the Adopt-a-School Partnership Program with the Directory of **Target Prospective Partners** to address the resource gaps.
3. The activity aims to identify the critical or priority resource gaps in schools and find possible ways to address the resource gaps through partnership engagement.
