Dear Dr. Alip:

Greetings from the Angeles University Foundation!

In line with the enactment of Republic Act 12080, the Basic Education Mental Health and Well-being Promotion Act, AUF is pleased to offer the specialized course "Organization and Administration of Guidance Services" as an extension service **(free of charge)**. This course aims to enhance the competencies of designated guidance counselors in effectively managing school guidance programs and promoting student well-being.

We respectfully invite your office to nominate **ten (10) Guidance Designates/Career Guidance Advocates** from the Division of Pampanga to participate in this program. The course will be conducted over five (5) consecutive Saturdays, from **July 5 to August 2, 2025**, comprising two (2) face-to-face sessions and three (3) asynchronous sessions..

As this initiative serves as a pilot course for a forthcoming **Certificate in School Counseling program**, we request that the nominated participants commit to completing the entire duration of the course. Their full participation will not only enhance their professional growth but will also contribute to the development of sustainable guidance services within your division.

We look forward to your favorable response and to partnering with you to strengthen the mental health and well-being initiatives in basic education. Should you have any questions or require further details, please feel free to contact the undersigned.

Thank you for your continued commitment and support for AUF programs.

Sincerely,
