1. Section 16 of the RA 7160 (Local Government Code of 1991) states that Local Government Units are considered major partners in basic education because of its access and legal basis to provide supplementary funding support that is sustainable and earmarked for basic education- the Special Education Fund (SEF). The former Sec. - b. To orient stakeholders on the assistance needed by the department to attain the Five Point Reform Agenda of the President;
- b) To share the best practices of the barangays on their support to their schools;
