1. Pursuant to Republic Act No. 11037, known as the "Masustansyang Pagkain para sa Batang Pilipino Act," and in alignment with DepEd Order No. 31, s. 2021, the Department of Education (DepEd) is mandated to implement a comprehensive School-Based Feeding Program (SBFP) aimed at addressing undernutrition among public school children from Kindergarten to Grade 6. The program provides nutritious meals and milk to undernourished learners to improve their nutritional status, encourage enrollment, and enhance classroom attendance.

2. To ensure the effective implementation of the SBFP, it is imperative to equip schools with the necessary tools for food storage and nutritional assessment. The provision of freezers will facilitate the proper storage of perishable food items, while weighing scales will enable accurate monitoring of beneficiaries' weight, a key indicator of nutritional improvement.

3. Anent to this, the said materials are estimated to be delivered within 30 days starting August 19, 2025, onwards. No deliveries shall be made during weekends and holidays. Kindly advise the school custodians to pick up the items at the district office drop off point.

4. Expenses incurred to the above activity may be charged against the School MOOE subject to the usual accounting and auditing rules and regulations. This Memorandum will serve as the Travel Order of in charge.
