Cluster Testing Coordinators

1. This Office hereby announces the submission of district and cluster consolidated reports on the results of the 2nd Quarter Periodic Examinations, including the most and least learned competencies for SY 2025–2026. The purpose of this submission is to monitor learners' progress effectively and to identify learning gaps across all public elementary and secondary schools in the Division.
2. The collection and consolidation of data shall be facilitated solely by the designated district and cluster testing coordinators. They are tasked with gathering the results within their respective school areas and encoding the data using the official MS Excel templates provided by the Division.
3. The encoding of the 1st Quarter Periodic Examination results must be completed **on or before November 14, 2025**.
4. District and cluster testing coordinators shall encode the data online using the prescribed templates, accessible through the official link and QR codes provided.
