1. The Schools Division Office of Pampanga hereby releases the implementation guidelines of the Expanded Policy Guidelines on Rating Campus Journalists and School Athletes in DepEd-Recognized Contests and Activities, effective School Year 2025–2026, First Semester. This policy is anchored on DepEd Region III Regional Order No. 2, s. 2007 (Rating Campus Journalists), Regional Memorandum No. 13, s. 2000 (Rating School Athletes), the 1987 Philippine Constitution, Article XIV, Section 19, the Education Act of 1982, Rule II/III, Section 3(e), and DECS Order No. 94, s. 1992, including other significant Constitutional provisions further specified and described in the main content of this DM.
2. The guidelines mandate that teachers and school officials shall not deduct grades or impose punitive academic actions on learners who participate in authorized journalism, sports and other DepEd-recognized competitions. Schools are required to provide structured academic support through the preparation of a Participant Academic Support Plan (PASP), advanced lessons, self-learning modules (SLMs), and make-up assessments to ensure learners keep pace with their academic requirements. Furthermore, learners representing their schools, districts, or the division shall be given appropriate recognition and incentives, subject to existing rules and fund availability. Implementation must be inclusive and gender-responsive, ensuring equitable access to support for all participants.
3. School Heads are directed to disseminate this memorandum to all concerned teachers and coaches, prepare the required PASP and related documentation, and submit compliance reports to the Curriculum Implementation Division (CID) within prescribed timelines. The CID and SGOD shall monitor implementation and consolidate reports for submission to the Schools Division Superintendent.

6. Immediate dissemination and strict compliance of this Division Memorandum is directed.

**I. RATIONALE**

A. Campus journalism and sports are integral components of holistic education. They cultivate essential skills and values—critical and creative thinking, ethical judgment, communication competence, physical fitness, teamwork, discipline, and excellence. The 1987 Philippine Constitution (Article XIV, Section 19) promotes physical education and sports programs, while campus journalism advances freedom of expression and the development of moral character and personal discipline among the youth. At the same time, the Education Act of 1982, Rule II/III, Section 3(e), requires teachers to refrain from making deductions in scholastic ratings for acts that are clearly not manifestations of poor scholarship. Region III issuances—Regional Order No. 2, s. 2007 (Rating Campus Journalists) and Regional Memorandum No. 13, s. 2000 (Rating School Athletes)—were crafted to ensure that learners who represent their schools in journalism and sports are not penalized academically and are provided special assistance (advanced lessons, special tests, self-learning modules) to keep pace with class requirements.

B. Other Constitutional Provisions that support this local policy guidelines include:

1. Article II, Section 13 – Declaration of Principles and State Policies: “The State recognizes the vital role of the youth in nation-building and shall promote and protect the physical, moral, spiritual, intellectual and social well-being;”
2. Article II, Section 17: Section 17: “The State shall give priority to ... sports to foster patriotism and nationalism, accelerate social progress, and promote total human liberation and development;”
3. Article XIV – Education, Science and Technology, Arts, Culture, and Sports Education;
  - a. Section 19(1): “The State shall promote physical education and encourage sports programs, league competitions, and amateur sports, including training for international competitions, to foster self-discipline, teamwork, and excellence for the development of a healthy and alert citizenry.”

- b. Section 19(2): "All educational institutions shall undertake regular sports activities throughout the country in cooperation with athletic clubs and other sectors."
- C. By institutionalizing these directives at the division level, SDO Pampanga protects learners' rights, promotes equity and inclusion, and aligns school practices with DepEd's objectives of producing healthy, disciplined, and academically competent learners. This unified policy ensures academic achievement and co-curricular excellence complement one another rather than compete.
