Subject: Proposal to Supply Ready-to-Wear Uniforms and Cut Goods

Dear Sir/Madam,

We at Peridou are pleased to express our intent to partner with your esteemed office in supplying ready-to-wear (RTW) uniforms and cut goods for the upcoming school year.

Our company proudly develops its own line of fabrics, designed to be breathable, cool, and gentle on the skin. Our textiles also contain natural fiber content, making them even more suitable for daily wear—especially in warm and humid conditions. With 15 years of industry experience, we specialize in producing high-quality, durable, and professionally tailored uniforms—currently trusted by top banks, insurance firms, and companies among the country's Top 1000 corporations. It is our hope to extend this same level of excellence in both product and service to our valued public school teachers and officials.

For schools that prefer to manage their own tailoring, we also offer cut goods (fabric only) to provide flexibility and cost-efficiency for faculty and staff.

We would be honored to supply your division with the following:

- Ready-to-Wear Uniforms (available in sizes XS to 7XL)
- Cut Goods (pre-cut fabric sets with accessories)

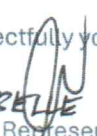

We are confident that our offerings will meet the needs of your division. We would be happy to schedule a meeting or product presentation at your most convenient time.

Please be informed that our Peridou Caravan Team is currently visiting Bicol, Mindoro, and Masbate, with plans to include Leyte, Samar, Cebu, Bacolod, and Mindanao (including Davao) in the coming weeks. Should your division wish to be included in our itinerary, we would be more than glad to make the necessary arrangements for a visit.

Attached are our company profile, sample designs, and pricing details for your reference. Should you require additional documents or product samples, we would be more than willing to provide them.

Thank you for considering our proposal. We look forward to the opportunity to support and serve the dedicated educators and staff in your division.

Respectfully yours,
