Dear Sir Alip:

Greetings of peace and excellence!

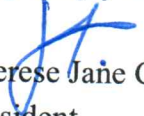

We respectfully request the endorsement of our company, Expeditionary Ventures Tours and Services Corporation, to promote and provide educational tours and learning visits to schools within the Schools Division of Pampanga.

As a duly registered travel and tour operator with more than fifteen (15) years of experience in educational tourism, we have been committed to delivering safe, educational, and well-organized learning experiences that enrich classroom instruction through experiential learning. Our programs are designed to expose learners to historical, cultural, scientific, environmental, and industrial destinations that support and enhance the curriculum.

Through your endorsement, we hope to be given the opportunity to present our educational tour packages to schools and school administrators within your division. We assure your good office that all activities shall strictly comply with existing Department of Education policies, safety protocols, and other applicable regulations governing educational trips and related activities.

We believe that educational tours provide valuable opportunities for learners to develop a deeper appreciation of their lessons through firsthand experiences, thereby contributing to their holistic development. In this regard, we humbly seek your favorable consideration and support. We would be honored to partner with schools in providing meaningful and memorable educational experiences for Pampanga's learners. Thank you for your time and consideration.
