DR. ROMEO M. ALIP, CESO V

Schools Division Superintendent
DEPED Division of Pampanga

Dear Dr. Romeo M. Alip:

At Red Concept Events Management Services, we are committed to providing meaningful educational experiences through interactive programs that promote creativity, innovation, and experiential learning.

In line with this commitment, we respectfully present our mobile educational programs designed to bring engaging learning experiences directly within the school campus.

JURASSIC ON WHEELS & WORLD OF AI – Where Dinosaurs Meet Tomorrow

An educational exhibit featuring dinosaurs, robotics, and artificial intelligence through interactive learning experiences.

Objectives

- Promote curiosity and appreciation for science, history, and technology.
- Develop creativity, critical thinking, and learner participation.

Activities

- Dinosaur Discussions, Jurassic Exploration Tunnel, and Dino Encounter
- 3D Learning Experience
- AI Interactive Exhibit and Robotics Demonstration

SCI-TECH IN MOTION – A Hands-On, Minds-On Mobile Exhibit for Schools

An interactive exhibit introducing science, technology, digital media, and emerging innovations.

Objectives

- Promote experiential learning through science and technology activities.
- Develop creativity, communication, collaboration, and critical thinking skills.

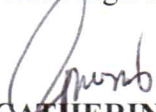

Activities

- Virtual Reality Station
- Chroma Key Studio and Dubbing Station
- Interactive Science and Technology Exhibits

Thank you for your time and consideration. For inquiries, you may contact us at (0932) 882-7332 or through email at perez.cathy.arenas@gmail.com.

We look forward to your favorable response.

Warm regards,

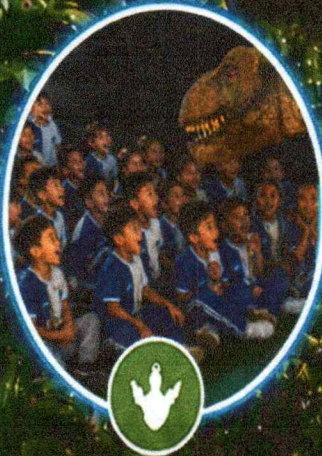

CATHERINE A. PEREZ
