Subject: Proposal for Educational Film Screenings of **ELLIE**

Dear Dr. Alip,

Warm greetings!

TBLR Film Productions respectfully submits this proposal seeking your approval to conduct **educational film screenings** in selected public elementary schools within your division. Our featured Filipino film, **ELLIE**, tells a heart-warming story of **love, hope, and the strength of family bonds in times of difficulties**. We believe cinema can serve as a dynamic educational tool that enriches learning and nurtures Filipino values.

We believe **ELLIE** will inspire our young learners to become **critical thinkers, compassionate individuals, and proud bearers of Filipino culture and values**. We would be honored to present this project in person and provide any additional materials you may require.

For compliance & Safeguards:

- Full adherence to **DepEd Order No. 19, s. 2008** (No Collection Policy) and **DepEd Order No. 9, s. 2005** (time-on-task compliance).
- Content rated appropriate for elementary audiences and aligned with DepEd child-protection standards.
- No student data will be collected without consent.

Thank you for considering our proposal. We look forward to the opportunity to collaborate with the Schools Division Office of Pampanga City in this meaningful endeavor.

ELLIE

Ellie, a young girl craving attention and affection, finds herself constantly ignored by her busy parents who are caught up in their demanding careers. With her loneliness growing, Ellie wishes for something—or someone—to share her thoughts and dreams with. One night, as she's playing with her beloved doll, she wishes that the doll would come to life and be her constant companion. Miraculously, the next day, while sitting in the woods, Ellie's wish is granted, and her doll transforms into Sparkle, a stunning, lively fairy.

Sparkle is everything Ellie imagined: fun, full of stories, and the perfect listener. Sparkle shows Ellie her magical world, a place of wonder and beauty, but Sparkle quickly realizes that something is wrong. The fairy world is in turmoil, its magic fading, and something dark is threatening to destroy it.

One night, when Ellie is talking to Sparkle, her mother overhears and believes her daughter is imagining things. She's worried and insists something is wrong with Ellie, but Ellie can't convince her. Her parents think she's lying and dismiss her feelings, leaving Ellie heartbroken.

They think Ellie has made up a fantasy, leading to more tension at home. However, determined to understand her daughter, Ellie's parents finally decide to spend quality time with her. They play a game of hide and seek, and during the game, they unknowingly stumble upon a portal that leads them to Sparkle's world.

Suddenly, Ellie's parents are thrust into the magical forest, and they must work together to save the enchanted land. The forest is on the brink of destruction, and Ellie, Sparkle, and her parents must navigate the perils of this new world. Along the way, Ellie teaches her parents the importance of listening and spending time with one another, while Sparkle learns about love and family from Ellie.

As the adventure unfolds, Ellie's family becomes more united, and they learn that sometimes, in the most unexpected places, magic is real—especially when you take the time to care for the ones you love.

This certifies that the material below has been reviewed and classified by the Movie and Television Review and Classification Board:

Movie Title	ELLIE
Applicant	TBLR FILM PRODUCTION
Running Time	1hr. 0min. 9sec.

Classification	Reason/s for Classification
PG PARENTAL GUIDANCE VIEWERS BELOW 13 YEARS OLD MUST BE ACCOMPANIED BY A PARENT OR SUPERVISING ADULT	Theme: The movie highlights imagination, family bonding, the value of friendship, and the importance of caring for nature. It also carries deeper lessons on forgiveness and courage, presented in a way that children can understand. Violence: Mild fantasy violence is present. Ellie faces danger from a dark being in the forest, and at one point she is harmed. These moments are not graphic but may feel intense for very young viewers. They are balanced by positive resolution and forgiveness. Horror: There are a few suspenseful and dark sequences set in the forest that may frighten sensitive children. However, these are framed in a moral context, showing the triumph of good over evil. Imitable Behavior: The story emphasizes positive traits — imagination, respect for nature, love, courage, and forgiveness. Parents may wish to guide children in understanding that imaginary play is natural, while also encouraging open communication within the family.
