Ang Makinang na Bagay

Naglalaro sina Koko at Kaka.

May nakita silang makinang na bagay.

Lumapit sila at laking gulat nila sa kanilang nakita.

Ang makinang na bagay ay
limang piso pala.

Dinampot ni la ang limang piso.

Pinagtanong nila ito sa iba pang naglalaro.

A vibrant, stylized illustration of a rural landscape. In the foreground, a stream flows through a lush green field. The stream is bordered by a brownish bank on the left, where several dark grey rocks are scattered. Small plants with long green leaves and colorful flowers (purple, yellow, and white) grow along the bank. In the middle ground, a small, simple wooden house with a brown roof sits on a gentle slope. To the left, a large, leafy green tree with a thick brown trunk stands prominently. The background features rolling green hills under a bright blue sky with soft, white clouds. The overall scene is peaceful and idyllic.

Ang limang piso pala ay kay Kiko.

Nagpasalamat si Kiko
kina Koko at Kaka.
